Ticket and security checkpoints will be in place at the Park and Rides so please also allow appropriate time in your schedule for these elements and then the transfer journey via the Park and Ride.

- Private vehicles will NOT be permitted access to the site.
- All tickets are for nominated ticket holders with no ticket sales on the gate and spectators will not be permitted to leave the event main site and return to it on the same day (i.e. No Pass-Outs).
- When spectators leave The Gleneagles site they must return via the same route as they gained access (e.g to their respective Park and Ride site, bus terminal or rail station).
- Whilst all times and distances are given for normal traffic conditions, due to traffic flow conditions during the event, journey times may increase and different routes may need to be taken.
